Valenciano	Repasar por el examen de valencià de 25 de novembre.
Class Behaviour and comments	Y5 have done revision for ALL Assessments in class this week and need to spend some time during the weekend revising. NOTE: The general behaviour of Y5 is causing problems during school hours because some pupils are being disrespectful to other pupils. Please ask your child to treat their peers as they would like to be treated. Again I ask that ALL pupils follow the school rules, otherwise there will be consequences. Homework is compulsory and must be handed in on Mondays: English: Vocabulary, Grammar and Punctuation pages 12 and 13. Finish off any work not completed. From "Now try these" they are to answer each question with 2 sentences; 1 using a modal verb and 1 using an adverb. Maths: Unit 3, Week 2, pages 60 to 67. Finish off any work not completed in Challenges 1 and 2. Complete ALL Challenges numbered 3. Spelling Test - They need to learn ALL words from Spellings 12 for their Assessment. Thank you.
